JEDO — OVER 45 YEARS OF EXPERIENCE IN THE PRODUCTION OF PRAMS

Every day we respond to the challenges that our potential customers present to us, trying to meet the demands of today's parents. Thanks to modern technology, the full engagement of our employees and the heart we have put into the production of each item we are proud today to see Jedo prams on the streets of Poland, Europe and the whole World. Our prams are entirely designed and manufactured in Poland and meet the requirements of the European PN-EN 1888-1:2019-02 standard and have all the required certificates.
