

Bo
Jungle

2020

Bo Jungle is an innovative premium Belgium brand consisting of high-quality baby articles in neutral colours. The designs of our products were inspired by nature itself.

We aim at providing the highest levels of comfort and care for your baby at a reasonable price, because we believe that every baby deserves to have the best possible start in life.

Our goal is to become one of the key players on the European, as well as other markets in various segments of the baby sector.

We currently have products in several categories, such as 'feeding, sleeping, transport, etc.' and are actively working on expanding our product range.

Our designs have been developed by European product specialists with a large professional experience in the baby sector and tested by mothers to ensure the quality and user-friendliness of our products.
