

TIME FLIES.  
TRUE MOMENTS  
STAY FOREVER.

**V-PLUS** is a unique pram combining incredible design, modern technical solutions, quality and durability in every terrain. Model V-PLUS is dedicated for very demanding customers, appreciating modernity, design and style and the newest technologies of making articles for children.

**invictus** is a synonym of the product made with love for children. Great care put into making of all elements provides maximum safety of the child. The pram was designed so it runs on many different terrains in a city and a country side. It's wide usage and plenty of functions allow for easier and faster folding to small size.
